

3rd December 2014

Dear Angi,

Re: "An Evening Under the Stars"

On behalf of the Organ Donation and Transplant Foundation of WA, the board and I would like to thank you for your contribution for the "Evening Under the Stars" on the 29th November 2014, at the Old Perth Observatory, West Perth. There were approximately 200 people who attended, making the night a special evening for all of those in attendance.

Thank you for the contribution of calligraphy for the night. Your involvement was highly valued and enhanced the evening for all who attended. Events like this would not be possible without your kind and ongoing support so we thank you sincerely for your willingness to help, year after year!

We greatly appreciate everything you helped with and hope you would be happy to contact us if you would like to assist again in the future.

Kind regards,

Simone McMahon

Chief Executive Officer

Organ Donation and Transplant Foundation of WA
